

SCHEDULE - SPRING 1957

UNIVERSITY OF CALIFORNIA HIKING CLUB

TRANSPORTATION: Transportation on most Club trips is by private automobile and is arranged through a sign-up sheet in the Club office, Room C, Eshelman Hall. Please consult the bulletin board in the office for club policy with regard to trip expenses.

Please note that on several occasions two activities are scheduled concurrently.

- Feb. 3 **HIKE:** Cataract Gulch -- A very pretty hike for all. Come and enjoy the sunshine and meet many of the club members at the very beginning of the semester. Meet at West Gate of Campus at 8 AM, and bring your lunch. Leader: Irma Webber
- 7 **CAMPFIRE SING:** Traditional first gathering of Club each semester. Meet at Senior Men's Hall for singing, refreshments, and general chit-chat. Folk dance exhibition by the Club's own folk dance group, etc.
- 10 **CLIMB:** Indian Rock, Berkeley -- This first climb of the semester is designed as an introduction (by experts) to the intricacies of technical rock climbing. Belaying, rappelling, learning safe climbing techniques -- all will be the orders of the day. Beginners are not only welcome, but are urged to come out and see what it is all about. Leader: Mike Loughman
- 15 **FOLK DANCING:** Meet at 7:30 PM in Senior Men's Hall for the first dance of the semester. A chance for new members to learn many new dances and for the old-timers to practice their fancy steps.
- 16 **CLIMB:** Cragmont Rock, Berkeley -- This is the first of our practice climbs scheduled on Saturday, don't be 24 hours late. There are a variety of climbs available here. Maybe Dick and Jackie McCracken will demonstrate lower belays.
- 17 **CAVE TRIP:** Mother Lode Area -- Come and test your cat-eyes and at the same time see some of nature's wonders unavailable to those who remain on the earth's surface. See bulletin board for details and for equipment required. Leader: Ray de Saussure
- 23 **OVERNITE CAMPING:** Big Sur -- Sleep under the stars with the aroma
24 of pine all around. This mountainous area is noted for its beauty.
Leader: [unclear]
- Mar. 1 **FOLK DANCING:** Its time to go folk dancing again. If you have never done it you don't know what fun it can be. Come to Senior Men's Hall at 7:30 PM.
- 3 **CLIMB:** Lime Rock -- Don't let the heading fool you, this is a something for everyone trip. Besides the climbing there is hiking, cave exploring for those with some rope ability, and even swimming (if you are a polar bear).
- 8 **PARTY:** It's party time, and you know what THAT means. Don't know what's going to happen, but it'll be a lot of fun. And for those with no other reason to come there will be refreshments.

- Mar. 10 1. CAVE TRIP: Mother Lode Area -- Another trip into the underground world. YOU could possibly discover a new cavern.
2. CLIMB: Hunter's Hill, Vallejo.-- Try your hand at the Bloody Clutch, the Eagle's Nest, or any of the other routes. P.S. There's a cave here too, but it's not much to speak of.
- 15 FOLK DANCING: By now you should be getting pretty good. Come over and show off. It's 7:30 PM at the Senior Men's Hall.
- 17 HIKE: Loma Prieta -- Come along, see the scenery, and bring your camera too. We need pictures for the scrapbook.
- 21 GENERAL MEETING: We don't know yet what the program will be, but there will be refreshments.
- 23 OVERNIGHT CAMPING: Pinnacles National Monument -- Don't miss this one.
- 24 For the hikers there is a very well developed system of trails covering a good part of the monument and the climbers are certain to find something to their liking among the many pinnacles. A guided tour through the caves at night is also a possibility.
- 29 FOLK DANCING: Don't these folk dancers ever get tired. For an evening of fun and frolic come to the Senior Men's Hall at 7:30 PM.
- 31 1. HIKE: Pebble Beach -- Sounds a little rocky, but if you like the sea this is it.
2. CAVE TRIP: Mother Lode Area -- We wish we could be a little more specific, but we don't know where the caves are until we find them, if we find them.
- Apr. 5 PARTY: It's a pity this can't be on Monday, but there should be sufficient merriment for all never-the-less.
- 6 CLIMB: If the developers haven't beat us to it we will be climbing here in the Twin Peaks area of San Francisco. P.S. It's at Miraloma.
- 7 1. HIKE: Cedar Mountain -- The UCHC has not been here for several years, so this will be a new trip for most of those going. You can expect some good hiking before the day is over, and who knows what else will happen?
2. CAVE TRIP: Mother Lode Area -- Don't let the repetition of this listing bother you. There are enough caves here for a new one every trip, that is if you can bear not returning to look in that one last passage you didn't have time for on the previous trip.
- 11 GENERAL MEETING: Program to be announced when someone decides what it will be.
- 12 FOLK DANCING: Come and see if you remember the pas de basques, or brush up on your Hopak improvising. Senior Men's Hall at 7:30 PM.
- 14 HIKE: Pope Valley -- Hey you botanists, come along. The wildflowers here are just lovely.
- 18 OVERNIGHT CAMPING: Yosemite Valley -- You can't study now, it's an academic holiday. Come to the valley and hike, climb, or just plain loaf. Looks like the Sierra Club may be there too. We'll see you at camp 4.
- 21

- Apr. 26 FOLK DANCING: If you have recuperated from the valley trip come to the folk dance and be ready to recuperate all over again. It's at 7:30 PM in Ye Olde Senior Yeoman's Hall.
- 28 1. HIKE: Pine Canyon -- They always say that this hike is all down hill, but come along and find out for yourself. The scenery is worth the effort.
2. CAVE TRIP: Mother Lode Area -- Where will it be this time?
- May 4 CLIMB: Pinnacle Rock -- Last Saturday climb, so you don't want to miss it. There will be climbing, belaying, rappelling, and anything else we can think of.
- 5 HIKE: Valley of the Moon -- An old Bear Track says, "In the broad panorama of hills and valleys we will see the concealed and unique detail which escape the average traveler, gnarled oaks, strange rocks, mountain meadows, water falls, and concealed caves." Leader: Sandy Thrig
- 11 OVERNIGHT CAMPING: Lovers Leap -- This is mainly for climbing, but the hikers can find things to do if they try hard enough. To reassure those who may be wondering, the number of lovers who yearly leap from the top of this cliff is not enough to cause any significant hazard to the climbers.
- 16 GENERAL MEETING: This is the time you meet your new officers, so be sure to be there.
- 17 FOLK DANCING: This is the last folk dance of the year. Take your mind off of your studies and have a good time. It will be at Senior Men's Hall at 7:30 PM.
- 19 BEACH PARTY: This is the final fling so come prepared. If you like you can come on the 18th and camp overnight. Leader: Don Wainwright

SUMMER PROGRAM: In some of the past years there have been activities during the summer months on a more informal basis than during the academic year. The only event in current planning is the

HIGH TRIP: This two week backpacking trip is normally held just before the opening of school in the fall. Those who want information about or who wish to participate in the trip and its planning are urged to contact the club in room C, Eshelman Hall, or phone AS3-4800, Ext 32.

ADDITIONAL INFORMATION: For any additional information about the University of California Hiking Club or any of its activities inquire at room C, Eshelman Hall (Phone: AS3-4800, Ext. 32) or contact any of the club's officers or trip leaders.
